PRODUCTS & SERVICES

UKCG INDUSTRIAL SERVICES LIMITADA

UKCG Industrial Services Limitada (UKCG-IS) is a UKCG Group company based in Concepción, Chile, offering a direct technical, trading and sales support capability dedicated to assisting the steel and foundry sector within Chile, Latin America and beyond.

UKCG Group Customer Service:

- UKCG-IS offers a dedicated technical and after sales service for UKCG Group customers in the region.
- UK Carbon & Graphite (UK) and UKCG Magnesium Technologies (Austria) offer Carbon and Graphite components and Magnesium powders to various industrial sectors within Chile and Latin America. UKCG-IS offers regional customers effective and local UKCG Group product support.

Steel & Foundry Sector Services:

- UKCG-IS offers the foundry and steel making industry with reliable technical assistance, consultancy and training in specialised areas such as refractory, refining, metallurgy, casting and overall end product quality maximisation.
- UKCG-IS offers Latin American foundry and steel industry with a 'spent product service'; e.g. broken graphite electrodes, worn rollers, old equipment and any other kind of ferrous and non-ferrous industrial surplus materials can be recycled and traded through UKCG-IS and UKCG Group companies.

Import/Export Sales Representation Services:

- UKCG-IS can offer international companies a local interface within the Chilean steel and foundry market assisting with sales, shipping and after sales service to those companies wishing to enter the Chilean steel and foundry market with a local, reliable and knowledgeable partner.
- UKCG-IS can offer Chilean steel and foundry customer's access to international specialised markets within the UK, Europe and North America.
